

**IN THE SPECIFICATION:**

Replace the paragraph at page 1, line 1 with the following amended paragraph:

~~Description~~

Replace the paragraph at page 1, line 16 with the following amended paragraph:

~~Background Art~~ of the Invention

Replace the paragraph at page 7, line 8 with the following amended paragraph

~~Disclosure~~ Summary of the Invention

Replace the paragraphs at page 13, lines 23-24 with the following amended paragraphs:

~~FIG. 4 is an~~ FIGS. 4A-4B are illustrations of light emission devices.

~~FIG. 5 is an~~ FIGS. 5A-5G are illustrations of electric appliances.

Replace the paragraph at page 14, line 13 with the following amended paragraph:

~~Best Mode for Carrying Out the Invention~~ Detailed Description of the Presently Preferred Embodiments

Replace the paragraph at page 48, line 20 with the following amended paragraph:

~~Industrial Applicability~~
